Natural Gas For White Rock By September

B.C. Electric Company will start natural gas installation in White Rock sometime in June in an attempt to have services completed by September. Alan MacDonald, natural gas manager for the Fraser Valley told City Council on Tuesday.

Mr. MacDonald said an agreement must be reached between the Company and the Council as to the laying of mains so work can be carried out with a minimum of inconvenience. He said Council would be asked to approve all running lines the Company plans to install.

Alderman William Hodgson said he would not be in favour of the Company laying line in the business district

during July and August.

"This town has to make money during these two months, and in my 12 years in business here, I have found the tourist season starts on July 1. This is a tourist town, and we just can't have the streets torn out in front of the business district during this time," Ald. Hodgson said. Mr. MacDonald said the BCE would work with Council in this matter and try to work away from business sections until September. He pointed out 14,000 feet of ditch was closed at Leighton in two days recently.

The Company has one million feet of pipe to lay in the Fraser Valley by September, he said.

Dancers Search for Crystal Ball

MRS. MYRTLE DAVIDSON.

Properties' director, Sheila Carmichael, is searching frantically for a crystal ball as the students and teachers of the Davidson Dancing School make final preparations for the school's annual production, "Romany Holiday," to be shown in the High School, May 17 and 18.

Centred around a gypsy theme, the dance production requires a crystal ball to help fortune-teller Peggy Procter see the gypsy gatherings of past years as the young dancers bring to life national dances from around the world.

This year's recital, a dance review in three parts, was especially written for the school by Elizabeth McPherson of the White Rock Players' Club. Assisting in the production is Vic McPherson who heads a committee from the White Rock Rotary Club, sponsors of this year's review. Proceeds are in aid of Rotary Club charities.

We regret that last minute advertising made it necessary to hold over some local news until next week.

Council Opposes Commercial Development In Beach Area; Favours Park Boat Basin

City Council will ask the Department of Public Works at Ottawa to refuse any application for commercial development of White Rock Pier or foreshore until permission is granted by the City.

Council will also ask the Lower Mainland Regional Planning Board to give top priority to the development of Semiahmoo Indian Reserve as a park.

Both requests were decided upon at Tuesday's Council meeting which was highlighted by lengthy discussion on the Park development and commercial interests in the Pier area.

Dr. T. R. Blades, commodore of White Rock Yacht Club, appeared before Council asking that support be given to

his club's application for a 5 acre lease at the mouth of Campbell River on the Semiahmoo Reserve, to be used as a boat basin. He said both Surrey Council and the Indian Affairs Department had refused their application.

Mayor C. M. Defieux said two letters received from Council should also be read at this time.

First letter was from Joseph Shortman, chairman of the White Rock Sea Festival for 1957, who said he wished to protest strongly against the proposed hoisting of boats from the wharf to water by Mr. Leighton Young. Mr. Shortman felt such an operation would be detrimental to the swimming club.

Second letter was from Mrs.

Ruth Johnson, president of the White Rock Amateur Swimming Association, who protested the proposed boat repair shop, hydraulic lift, food concession and gasoline station on the pier, to be operated by Leighton Young.

Mrs. Johnson said the club would be unable to continue its work of teaching youngsters to swim, if permission was given to Mr. Young. The president also pointed out the hazardous condition which would prevail on Washington Avenue and the Pier ramp if traffic was allowed access to the pier.

Mayor Defieux said Council must safeguard against any danger of contamination to the beaches.

"We in White Rock live off our beaches, and although I sympathize with boat owners we cannot permit any contamination to these beaches," his Worship said.

"I am not against progress, but we must preserve what we have," he added.

"We are vitally interested in the development of Semiahmoo Indian Reserve as a park, and I would suggest that this Council contact the Indian Affairs Department stating we would like the opportunity of acquiring a lease for the development of the park and boat basin," Mayor Defieux said.

All aldermen, with the exception of Alderman William Offer, were in favour of a boat basin in the Park.

City Council Recommends School Crossing Changes

City Council is planning extensive improvements to school-crossing facilities in the Hilltop area and will make several recommendations to Surrey School Board in regard to school-ground entrances and parking conditions.

Alderman Alex Mitchell, chairman of the fire and police committee, said he had contacted Sgt. A. R. Foster of the White Rock RCMP detachment and had received several recommendations from him.

Sgt. Foster suggested the school crossing on Johnston Road, about 25 feet from Roper Street, be moved to the south-west corner of Roper and Johnston. He also thought a barricade should be constructed at this corner to prevent motorists from making a turn in front of the Centre Food Market.

The Sgt. recommended other crosswalks at Buena Vista and Pacific Ave, Johnston and Pacific, and Buena Vista to "F" Street.

Ald. Mitchell suggested that the sidewalk area at the corner of Johnston and Buena Vista be clearly defined, as the whole area is now open, posing a hazard to pedestrians. Council will ask the School

Board to provide adequate parking facilities for elementary school teachers who have been parking their cars outside the school fence on Johnston Road because of muddy conditions during the winter within the school ground.

City Solicitor Lorne Jackson pointed out this is illegal under the Provincial Act and "completely dangerous."

Council will instruct the police to enforce this parking regulation. They will also ask the Board to close a temporary entrance to the school ground and open a grade entrance on north-east corner of Roper and Johnston.

Ald. Len Parker, chairman of the building and personnel committee, reported he had been unable to contact Cecil Parsons in regard to the construction of an RCMP and welfare office on Buena Vista facing the school grounds.

Mayor C. M. Defieux pointed out the time element is the important factor in regard to the welfare office. He said Council must reach a decision within seven days.

Council will ask the RCMP to extend their lease on their present offices another thirty days. The lease expires June 1st.

Jaycees Inaugural Ball To Be Held Friday

White Rock Junior Chamber of Commerce are completing final arrangements this week for their Inaugural Ball to be held Friday, May 10 at the Palladium starting at 7:30 p.m.

White Rock Boys' Band, Eagles Girls' Band and White Rock Players Club will help to provide entertainment, committee personnel told the Jaycee members at their regular monthly meeting Monday at the Silver Moon.

White Rock City Council will be guests of honour and dignitaries from all surrounding cities and municipalities have been invited to attend. Tickets may be obtained from any Jaycee member. Jaycees have received num-

erous other donations during the past week for their auction which will be held Saturday, May 18 at the Silver Moon.

Ian Donald was named secretary of the organization for the remainder of the term, replacing Jim Baxter who has taken up residence in Victoria.

Several accidents on the beach during the weekend have prompted Jaycee members to take action in regard to broken glass in that area. Ed Irwin reported swimmers were treated in White Rock Hospital for cut feet. Irwin said he would contact local Scout groups with the idea of holding a "clean-up broken glass" project.

White Rock Mill Rate Generally Unchanged

White Rock Rate By-law (1957) over which City Council has no control, was given first, second and third reading by Council Tuesday and will come up for final consideration on May 14.

A fractional raise was noted in the mill rate but the general rate of 25 mills remained unchanged over 1956. School mill rate is 16, up 3 on a par with that of Surrey. Fire rate is 3.01 as compared with 2.54 last year. Garbage rate is 10

mills against 9.03 in 1956. Street lighting is 4.60 mills compared with 4.50 last year.

Mayor C. M. Defieux pointed out Council had no control over the school mill rate and fire, garbage and street lighting was based on cost set up by Surrey Council.

Sen. Reid Reception For Rt. Hon. C. D. Howe

A reception for the Right Honourable C. D. Howe, Minister of Trade and Commerce, and Minister of Defence, is being given by Senator Tom Reid on Monday, May 13. It will be held at Tara, King George Highway at McDougall Road, from 3 o'clock to 5 in the afternoon.

Store Hours By-law Urged by Local RMA

As a result of the new Municipal Act all retail stores including such places of business as garages, drug stores, variety stores and eating places will be subject to a five and one half day shopping week with Friday evenings open till 9:30 p.m. W. J. Bush, Retail Committee Chairman, has announced.

"This can be overcome by having a local By-law passed before July 1, when the new Act becomes effective, authorizing a longer work week," said Mr. Bush. "If the By-law is passed the various places of business could then legally work the longer week but they would not necessarily have to do so."

Those businesses that feel a longer work week (either for July and August, or throughout the year), is necessary to suit local needs, are asked to contact Mr. Bush, either by phoning W.R. 53351 or at Bush's White Rock Pharmacy.

This information should be in the hands of the committee by May 15 at the latest so that the City of White Rock Council will have the necessary time to pass the By-law.

Community Centre Plans Make Progress

W. J. Hurd was named chairman of the Community Centre Society at an organizational meeting held at the home of Mr. and Mrs. Max Zack, Marine Drive, Tuesday evening, May 7. Ian Donald was elected vice-chairman and directors are Max Zack, representing White Rock Board of Trade, Warren Slaughter, Semiahmoo Bay Overture Concert Society, Don Johnson, White Rock Players Club, V. B. S. Martin, Kinsmen, V. W. Plant, Senior Citizens Association, Mrs. Warren Slaughter, White Rock and Blaine Soroptimists and J. Ray Stewart, White Rock Section of B.C. Historical Society. Ken Binning chaired the meeting during the election of officers.

Discussion centred around the choosing of a suitable location for the proposed Community Centre. Several sites were named with members undecided whether it would be better to purchase a site or discuss with the City Council the possibility of building a community centre on park property owned by the city. Next meeting was set for Thursday, June 6.

Tigers Win First Game As Little League Opens

White Rock Tigers won their first baseball game on Saturday topping off a perfect day of sport, ceremonies and a parade which marked the opening of the 1957 Surrey Little League season.

John Parsons pitched the Tigers to a 10-6 victory over Fleetwood Pirates in the last of three games played at the new Whalley Jaycee Stadium.

Other action saw Newton Braves down Whalley Cubs 5-0 and Whalley Giants whip Cloverdale Dodgers 20-0.

Tigers' short-stop Ian Davie scored the first run, escaping a hot-box play between Fleetwood Pirates in the last of three games played at the White Rock squad continued

to build their lead. Best hit for the Tigers was a two-bagger by Eddie Eby, who scored two runs in the second inning, 1 in the third, 3 in the fifth, and 4 in the sixth.

Highlight of the game saw Fleetwood's Terry Hamilton hit 2 home runs—one in the second and one in the fourth inning.

The Tigers were coached by Jack Dicken and managed by Bud d'Easum.

Dan McJennet was the winning pitcher for Newton and Dan Pedersen, the loser.

Bruce Harnold was the hero of the Giants-Dodgers affair winning his own ball game with the first home-run to be hit out of the new park. He was presented with the ball by League President Cam Marshall. Losing pitcher was Bill Bignmore.

Opening day activity got

underway with a mammoth parade which included floats, decorated cars, dignitaries, teams, bands and majorettes.

Ceremonies took place on the field prior to the first game with Reeve Bob Nesbit, Parks Board Administrator, Bob Nicholson, George Hahn, donor of the Hahn Trophy, League President Cam Marshall, League Commissioner Harold Bent, Whalley Jaycee President Ted Brunt, Milt Hamby and Al Penny, fathers of Surrey Little League, taking part.

Rev. J. Selder dedicated the stadium. George Hahn threw the opening pitch with Al Penny catching and Milt Hamby batting. Master of ceremonies was Hal Davis. Ted Brunt and Cam Marshall shared the ribbon-cutting ceremony that officially opened the new stadium.

Cricket Club Plays at Langley Sunday

White Rock Cricket Club travel to Langley Sunday to meet that city's club in the first cricket match of 1957. Game time is 2:30 p.m. All White Rock players are asked to be at the Hilltop Branch of the Bank of Montreal at 1:30 p.m. sharp.

Correcting a previous report that cricket matches would be played at Semiahmoo Park this year, Mrs. Marshall, club secretary, said

cricketers did not feel this a suitable park and it was doubtful that any home games would be played. Last year one match was played at Semiahmoo Park. The club would appreciate some local support at Sunday's contest.

Elgins Lose Tournament Game; Play Cloverdale Fri.

Had White Rock Elgins' top pitcher Earl Ready stayed on the mound Sunday his team may never have lost the first affair of the four-game Senior C Softball tournament at Bear Creek Park.

The Elgins lost 8-3 to Pattullo South, but no one could blame Ready for the defeat.

Two outfield errors allowed Pattullo South to overcome an early 2-0 Elgins lead, scoring four runs in the sixth and four in the eighth inning. The White Rock team replied with one run in their half of the eighth.

Ready pitched a one-hit game up until the first error which allowed the Pats to score four runs.

The Elgins picked up their first victory of the season on Friday downing Cloverdale 6-3 at Semiahmoo Park.

In other action Sunday, Green Timbers downed Queensboro 8-3; Whalley defeated New Westminster Chiefs 11-7 and Newton trounced Cloverdale 12-8. Penitentiary Seals won their second game of the year, edging Newton 5-3 in an afternoon contest at the Penitentiary.

Newton will host Cloverdale tonight at Newton Park; White Rock Elgins meets Cloverdale Friday at Cloverdale; and Sunday's games will feature White Rock and Green Timbers at Semiahmoo Park; Pattullo South and

Queensboro at Bear Creek Park.

Green Timbers will host New Westminster Chiefs Monday at Bear Creek. Tuesday's action will see Queensboro hosting Whalley at Ryall Park and the Chiefs playing Newton at Moody Park. Whalley and Cloverdale play Wednesday at Whalley.

Arnold Piper To Coach Girls Softball

Question of who will coach White Rock's girls' softball team has now been answered following the offer of Arnold Piper to take the position.

Mr. Piper will coach the girls between 14-17 years who will play in the Surrey Fun League. Equipment will be provided by the White Rock Amateur Athletic Association.

Tigers Play Home Game Saturday

White Rock Tigers will play their first game of the season Saturday when they host Cloverdale Dodgers in a Little League baseball encounter at Semiahmoo starting at 6 p.m.

The Tigers met Fleetwood Wednesday night at Fleetwood Park. The locals boast a 1-0 record following their 10-6 victory over Fleetwood Saturday.

Greatest Blessing in the Home!

ENJOY THE CONVENIENCE OF HAVING
PLENTY OF HOT WATER—AUTOMATICALLY!

There's a tremendous difference between old-fashioned methods of heating water and a modern, automatic storage water heater. What a blessing it is to have all the clean hot water you need without the nuisance of lighting a fire. The water is always just right, too—thermostatically controlled so that it never gets dangerously over-heated. This convenience and safety cost less than you may think—around a dollar per person per month in the average family of four. The difference between an automatic storage water heater and what you are now putting up with, can make a lot of difference to life in your home. See your dealer or plumber.

Off On The Right Foot

If a few of the improvements already started are an indication of its future policy, then White Rock's first Council has got away to an excellent start.

While major projects will have to await the decision of an elected Council, a number of minor ones have already got underway. These, while they may seem insignificant to some people, are by no means so regarded by the general public to whom their lack of attention has been a constant source of irritation for some years.

Take, as one example, the comfort station at the corner of Oxford and Washington Avenues. Renovations which include much-needed stuccoing and painting, have already begun. Thus one blot on our waterfront landscape will soon be eliminated. We shall hope next year to see a start made on the landscaping around the station which the Parks Board hoped for two years ago.

Plans are also being discussed for the long-delayed new sidewalks on Washington Avenue, from the Post Office west. Cleaning out the underpass to the beach at Elm Street is to be done as well, and just as soon as possible. This will delight the hearts of many older residents who have long asked for this because they found it impossible to climb down the rocks along the railway tracks.

In commenting on these early accomplishments of the present Council there is no intention to cast any reflection on former Councilors who represented Ward 7. They worked hard to have some of these improvements made, but were handicapped by the fact that other ward commitments often interfered with these seemingly lesser problems.

Yet it is these smaller improvements which often seem very important in the public eye. As far as comfort stations are concerned, Sunday's big beach crowd proved that facilities are urgently needed near Bay Street. With the extended and improved parking area now available (thanks to efforts of former Ward 7 Councilors) greater crowds than ever will gather along that stretch of waterfront.

Improved facilities for their comfort are most assuredly necessary.

Keeping B.C. Green

Our good neighbours to the South, the residents of Washington State, have a slogan we have always liked, which asks travellers to help keep Washington green.

As part of the observation of Forest Conservation week, May 18-25, B.C. might well imitate its neighbours and ask all holiday-makers and tourists to do the same in our Province.

White Rock is no longer a forest, or logging area. That development in its history is long past. But White Rock residents travel about the province in cars every month of the year, and in great numbers during the summer season.

To them, the observance of Forestry Week with its emphasis on Forest Conservation should have as much meaning as it has for people who live in a logging area. B.C.'s prosperity and wealth depend to a very large degree upon the forestry industry. To almost as great an extent so does the tourist industry, in which White Rock certainly has a very large stake.

That is why any one who can should be glad to visit a Forest Ranger station during Forestry Week to meet our Forest Rangers, those guardians of one of B.C.'s most precious heritages. Throughout Forest Conservation Week, commencing Saturday, May 18, all Ranger Stations will be open to the public. Adults, school children, Junior Forest Wardens, Boy Scouts and Girl Guides, are all cordially invited to visit the Rangers and learn at first hand something about their varied duties in protecting our great forest wealth.

DON'T PUT OFF.

Year after year the cost of living, draws more and more attention. Especially to those of you, who are living on a pension. Which is a fixed amount, so that you have got to try to find out ways and means, so you can at least get by. Get by, is just the term to use, and it means just what it says. For your dollar of today, must go on fifteen different ways. To buy your food and clothes to wear, too many things to mention.

For the cost of barely living, must come out of that pension. To you who have not reached the age of retirement as it were.

And still are earning money, here there or anywhere; Better think now of your later years, for too many don't prepare. Until too late and then blame fate, because the cupboard's bare.

It's worthwhile taking stock, of what the future holds for you. Don't put off, procrastinate that's just my thought for you.

Federal Candidate

HUGH MCGIVERN: LIBERAL CANDIDATE

Already widely known throughout Canada as an outstanding trial lawyer and also as national president of the Army, Navy and Air Force Veterans Association, Hugh McGivern, 44, was a natural choice to contest the New Westminster Federal constituency on behalf of the Liberal Party when veteran campaigner and former M.P. Bill Mott was forced to stand down because of ill-health.

Mr. McGivern was the unanimous choice of delegates to a special nomination meeting held in New Westminster on Wednesday, April 17. Proposed for nomination by John Jeffery of Langley and seconded by Bill Wilson of Cloverdale, he received a standing ovation from the 300 delegates present at the meeting.

IRISH DESCENT

A native son of the Royal City, Hugh McGivern was born of Irish parents in 1913, the eldest of four children. He attended Duke of Connaught High School and later graduated in arts from University of British Columbia in 1932.

On leaving university he worked in the city, first at a cannery and then at a saw mill, before becoming articled as a law student to Harry J. Sullivan (now Mr. Justice Sullivan of the B.C. Supreme Court). He was called to the Bar in 1936 and two years later was able to set up his own law practice in New Westminster.

ARMY SERVICE

In the Second World War he enlisted in the Royal Canadian Artillery and served until his discharge in 1946.

After the war he again took up his law practice and in 1951 established the firm McGivern and Vance in Vancouver.

He did not forget his friends and colleagues of war-time days however, for immediately on his discharge

he became actively associated with the Army, Navy and Air Force Veterans' Association. Progressing rapidly through the various executive positions with the Association, he eventually became national president and was elected to that position at the annual convention in Calgary in 1956.

SPORTS ACTIVITIES

Outside his many and varied duties in his law practice and on behalf of the veterans Mr. McGivern is an avid sports enthusiast and was associated (as secretary-manager and then as president) with the famous Adanac Lacrosse Club from 1934 to 1948. During that time (in 1939 and 1947) the Adanacs defeated all opposition to win the coveted Mann Cup, emblematic of Canadian Lacrosse supremacy.

Married to the former Alice Taylor of Port Kells, Mr. McGivern has two teen-age sons, Jack 17, and Jimmy 15.

An indefatigable fighter for the rights of the individual, Mr. McGivern bases his campaign for election on Unity, Security and Freedom, the Liberal policies which protect, sustain and enlarge the freedom of the individual.

Presbyterian Church Film Stars Eartha Kitt

By Rev. Rodger Talbot.

The British Weekly not long ago carried an interesting review of a movie being made for the Presbyterian Church in the U.S.A., starring among others, Eartha Kitt, entitled "Accused." Another column commented on what is perhaps the first-ever commercial religious cartoon, the "Candlemaker," being made by the Wales and Bachelor Studios in Britain for the United Lutheran Church, primarily for use in their Sunday Schools.

"Accused" is a film about missions in Africa. "The Candlemaker" talks to children about a most neglected Christian virtue—stewardship. Add to these British films, others from this side like "Battle Hymn," the provocative story of a sincere

The COMMON ROUND A.J.P.

MANY THINGS have happened in the last two decades to set back the clock of progress in western civilization. Time was, not so many years ago, when young people studying their history texts in school shuddered over the terrors of past centuries, the Spanish Inquisition, for instance, to name only one. As they did so, the thought no doubt crossed their minds "How awful it must have been to live in those days!"

ALAS, WE CAN NO LONGER talk, or think, in this vein. The death of millions, slaughtered as even cattle should never be, in the concentration camps of Germany; the tortures suffered under the inquisition of the Gestapo, have all gone far beyond the horrors of the religious wars of past centuries.

IN FACT, as every thinking man today must know, it was necessary to coin a new word for the wiping out of whole groups of people, or mass slaughter. It was given the name "genocide." Is it any wonder that callousness in this year 1957 has reached a depth not far removed from the days of the Spanish fire and flame tortures? The tendency has even extended from the so-called tougher sex to women and teen-aged girls.

THE FEMALE OF THE SPECIES is more deadly than the male is an old saying which now is taking on a new and sinister meaning. Take the report in last week's paper that teen-aged girls have been beating up children in White Rock. The whole affair "maketh the heart sick," to again quote. Reams have been written on the whole subject of delinquency in recent years and we only get farther from the solution. Where the right answer lies is still hidden under the mists of rhetoric and oratory. Parents, too, have come in for a lot of criticism, for the behaviour of their offspring.

A TEACHER of my acquaintance, a wise and kind person, once said to me

that in her belief many of the children raised under the regime of "leave him alone, let him cry, it will develop his lungs" would one day be problem adults. Maybe she was right. Those in the middle-age brackets, today, can well remember how babies during that scientific period were supposed to be young growing organisms. They were left alone much of the time—got little hugging or snuggling—"it's bad for him" was the mother's cry. Today there's still another theory, I understand, in vogue. It is that infants need the reassurance of loving from their parents.

Perhaps we can only hope the present crop of babies raised under their theory will be better adults—and parents, too—when their turn comes.

In the Garden

By G. E. Sery, Garden Editor.

The Currant Fruit Fly.

So often a good crop of Gooseberries and Currants are ruined by the presence of a worm in every berry. The culprit in this case is the Currant Fruit Fly, an insect about the size of a house fly, but yellow in colour. Up till now these saboteurs have been hibernating in the soil under the bushes, where the wormy fruit fell last Summer. They will now be emerging when the berry bushes begin to bloom, and they will spend about 16 days in the process of mating.

The actual attacks upon our currant and gooseberry bushes takes place about the time the lilacs are starting to bloom. At this time the blossoms on the fruit bushes are almost finished, and the petals are falling freely to the ground. Then the female will be busy from morning till night injecting her eggs into thousands of the tiny green berries of the currants and gooseberries.

The eggs hatch out about a week, and the tiny newborn maggot starts immediately to feed upon the surrounding tissues of the berry. He lives there happily, secure from any dusts or sprays, until the berry falls to the ground, whereupon he digs himself in to a depth of from one to two inches and pupates until the following May, when the cycle is repeated.

Spraying the bushes is all-important. For this spraying use either D.D.T. or methoxychlor at the rate of one tablespoonful per gallon of water, with a little Dettol or liquid soap to make it stick. The timing of this spray is all-important, and it should go on first when about three-quarters of the currant blossoms have fallen. A similar spray should follow 10 days later to catch a late-comer among the fruit flies.

It is a good plan to use a good soil insecticide early in the Spring, such as Aldrin, Green Cross Cutworm Dust, or five per cent Chlordane dust, working it into the top two inches of the soil under the bushes. In this way, you can catch a lot of flies as they emerge from the pupa.

GIVE YOUR POTATOES A HELPING HAND

Be prepared to give your spuds a helping hand if you want to have a successful crop for they are not as easy to grow as they sound.

In different sections of the country, or under certain weather conditions, potatoes may need special care to control attacks of insects or fungus diseases.

Fusarium wilt is one enemy it causes premature wilting and dying of the plants. This wilt is a condition which cannot be cured, but can be prevented by safety first methods in the selection of seed potatoes. When preparing seed potatoes discard all tubers showing discolourations. Fusarium wilt seems to be more severe during dry seasons; therefore, during drought periods potato plantings should be kept well watered if it is possible to do so.

The Flea beetle is another potato pest that must be fought if you hope to harvest a good crop. This beetle is small but very active. As it feeds it eats small round holes in the leaves, which look as though they had been peppered with fine shot. Unless the beetles are checked the foliage turns yellow, wilts and when the damage is serious the afflicted plant dies. Dusting or spraying the plants with rotenone, or one of the new potato dusts, will give control of this pest if thoroughly applied.

Remember, too, that the potato patch must be kept free of weeds. Weeds are a heavy drain on soil fertility and so are potatoes. Both cannot thrive in the same patch if you expect to harvest a good crop.

MUMS FROM CUTTINGS

Stronger, healthier chrysanthemums can be grown from rooted cuttings than from division of their own clumps. The resulting plants

will give more luxuriant bloom.

The time to make cuttings is when the stems are 4 to 6 inches long. Take cuttings below a joint and remove the two lower leaves. Plant the cuttings in flower pots or flats, and keep in a cool basement or a shaded cool frame, in about 3 weeks new growth will be noticed. This means the cuttings are well rooted.

If the weather is warm, much time can be saved if each cutting is transplanted at this time into a small pot of good soil. Do not set the plant out into the garden until the roots fill the little pot.

If you aim for bushy "mums" with many blooms instead of spindly ones with few blooms, resort to Summer pruning. When the plants have 3 or 4 pairs of leaves, pinch back the grow-

ing tip. As a result five or six side shoots will develop. When these, in turn, are five or six inches long, they should be pinched back to encourage further branching. Early flowering varieties should not be pinched back, however, after the middle of July. Late flowering kinds should not be pinched back after the early part of August.

Comet Seen By Crescent Residents

The Arend-Roland comet, which was discovered last November, by the two European astronomers whose names it bears, has been observed by a resident of Crescent Beach, who reports that the comet can be seen in a northerly direction low on the horizon, the tail being clearly visible. This tail is esti-

mated by astronomers to be some 25,000,000 miles in length. The comet will be visible during the next three weeks, and from the Crescent Beach area it can be seen low on the horizon over Panorama Ridge, in the Sandell Road district around 2 in the morning.

Mr. J. I. Merry of Cedar Drive has left to spend the summer months at his camp at Mowich Lake near Savona.

Mr. and Mrs. Omar Malo of Williams Road, were involved in a terrible accident on Thursday. While backing out of his garage Mr. Malo did not see Mrs. Malo as she stooped to put something off the driveway. When he realized he had run onto her, he became excited and accelerated, thereby causing the

wheel that was crushing her leg to revolve rapidly, tearing the leg so badly that it required 28 stitches.

Mrs. Richard Cauley's father returned recently from California where he visited his two brothers whom he had not seen in 15 years.

FACE THE BIG ISSUES

VOTE FOR CANADA

Hold on to what we have and cherish!

We live today in a world of explosive contradictions. While Canadians enjoy soaring prosperity, millions elsewhere are hungry. While we strive for peace, the threat of war is ever present. The age of abundance for all mankind now is possible; so is world-wide atomic destruction.

These are the big issues. Today, as never before, Canada's freedom and prosperity and the future of our children—all the things we love and want most—depend on events in the world around us.

It's essential to elect a government which promotes prosperity at home and peace abroad. History shows we can't have one without the other.

Only the Liberal Party can do this. It's the only party with statesmen experienced and respected in world affairs. The Liberal record proves it can promote prosperity at home and peace abroad. It's Canada's only truly national party, seeking constantly to re-affirm national unity, the 90 year old goal of Confederation.

HUNGER AND WAR

Children scavenging for food in the Middle East symbolize the big issues in the world today—hunger and the threat of war.

OUR RESPONSIBILITY

No country has more to gain from a world at peace—none has more to lose. To protect the things we love and want, we participate today in the United Nations, NATO, the Colombo Plan...

OPPORTUNITIES UNLIMITED

Liberal policies and leadership at home and abroad have made Canada the land of opportunity. New people and capital are pouring in as never before, thus enriching our future.

A BRIGHT FUTURE IF...

Our children know freedom, prosperity, security—their future is bright if we hold firmly to present policies. It's up to us. This country's got it. Let's not lose it.

Legion Presents

Wheel Chair to CARS

A second wheel chair for use of CARS patients was presented to CARS president Mrs. Jessie Lee, by C. H. McElhinney, chairman of Canadian Legion Bingo Committee, on Saturday.

The Legion has purchased three chairs to date, one of which is being retained at the Legion Hall for use of members and their dependents. Mr. McElhinney told the Semiahmoo Sun. Two Hollywood walkers have also been presented to CARS.

Plans for purchase of another wheel chair to be kept at the Hall for members, were made at a Legion Executive meeting.

Mayor C. M. DeFeux will address the regular monthly meeting of Senior Citizens. Branch 38, Monday, May 13 at 2 p.m. in the Holy Trinity Church Hall, Roper and Foster Streets.

The White Rock Women's Institute will meet in the White Rock Lodge at 2 p.m. on May 13. Members please note the change in date.

The monthly meeting of the Friendship Circle of the United Church, will be held at 2 p.m. on Thursday, May 14, at the home of Mrs. H. O. Tabison, Archibald Road (off N. Bluff).

Ray Shepherd PTA will meet on Wednesday, May 15 at 8 p.m. Reports on the annual PTA Convention will be given by the delegates that attended.

Hospital Country Fair Has Mother's Day Theme

Mrs. V. B. S. Martin, tea convener for the Hospital Auxiliary Country Fair, has completed all her plans to give patrons a lovely Mother's Day tea this Sat. May 11, at 2 p.m. Her two assistants are Mrs. W. Hogg and Mrs. L. Sully. Receiving guests at the Silver Moon during the afternoon will be Mrs. T. Irwin and Mrs. V. McPherson, Sr., for the first hour and Mrs. A. MacLean and Mrs. J. Dingwall for the second. Each Hospital group will have one representative as hostess, who will be assisted by the Nightingales and 12 Auxiliary members who have volunteered their time to make a successful tea. All floral arrangements are in charge of Mrs. A. MacLean. Mrs. C. Arnold, plain convener, reports that 13 Service Clubs have notified her of their participation in the Fair. Some of these organizations will put on displays while the others will have miscellaneous stalls.

BACK IN TOWN

The Semiahmo Sun scribe and poet, Mr. W. F. McClintock, accompanied by Mrs. McClintock, returned to their White Rock summer home on Gordon Ave., this week.

OFF TO NEW JERSEY

Mrs. Helen Desmond, Vidal St., has had word from her daughter, Mrs. Irene Kuehnell, Bellingham, Washington, that she is entraining eastward to visit her sister, Mrs. Anne Csolti, in Trenton, New Jersey.

VISITS PARENTS

Ian Arrol, son of Rev. and Mrs. E. B. Arrol, is at present visiting with his parents. Ian has been attending UBC, and hopes to take his third year in Arts in the Fall. For the summer months he will again be on the staff of CBC as an announcer. Another son, who recently arrived from Edmonton for a position as continuity writer with CKNW, and who has since been living with his parents, will this week take up residence in North Surrey. Mrs. Arrol, son Angus, and baby Helen, arrived end of last week.

Crescent Church Hold May Breakfast

The man who dreamed up the revival of "Ye Olde Tymme" breakfast custom should have the thanks of the hundred odd who took part on Wednesday, May 1st. It was a bowling success and the writer does mean "howling" as the necessary "juice" decided to go on strike soon after the eight o'clock starting gun was shot but finally to the strains of "The more we are together" the beautiful electricity came on and remained throughout the function, thanks to the emergency crew sent as trouble shooters. 'Twas a sight to see Bill Perry taking off from his home and landing at the church with a cargo of steaming bacon and eggs aboard just as the lights came on.

The entertainment followed consisting of: At the piano Mrs. T. W. Johnson who, along with Mrs. Turnbull, gave a piano duet. Mesdames Stanley Turnbull and Patricia Doughty sang several duets which were so well received as were the solos of Mrs. Viola Peck.

The Rev. and Mrs. T. W. Johnson had as their guest a VIP of some renown in his particular field, Professor Evan A. Hardy, M.S. FAIG accompanied by Mrs. Hardy. The professor is on the Technical Training Staff of Ampara, Ceylon, under the United Nations Colombo Plan and was en route to the Convention at Sask. where he was to receive the honorary degree of L.L.D. Upon retirement the professor intends making White Rock is permanent home as is evidenced by his purchasing a couple of lots on Olympic adjacent to their old friends the T. W. Johnsons.

This eight a.m. breakfast on May 1st will be something to look forward to yearly and the locale Crescent United Church Hall.

Daughter of Pioneer Family to Marry

Mr. and Mrs. George M. Thrift, of 1282 High St., have announced the engagement of their daughter, Jessie Belle Rebecca, to Russel Charles Turgeon of Hinton, Alberta. Mr. Turgeon is the son of the late Mr. and Mrs. Joseph Turgeon of Westlock, Alberta.

The wedding will take place on June 15 in White Rock. The couple will make their home at Hinton.

Holy Trinity Bazaar

Mrs. H. Berry will open the annual tea and bazaar of the Stayte Road Group of Holy Trinity W.A. on Wednesday, May 15 in Buena Vista Hall, at 2 p.m.

Welcoming the guests at the door will be Mrs. L. J. Bird, Mrs. S. J. Bush and Mrs. A. Walker.

Mrs. W. Abbott will be in charge of the tea arrangements assisted by Mrs. G. Stewart; Mrs. R. Campbell; Mrs. J. Molden; Mrs. Eva Campbell and Mrs. H. Falls.

Mrs. S. Hastings, Mrs. H. Williams and Mrs. S. Kearns will be at the home cooking table.

Mrs. Fanny Campbell and Mrs. Burden will have charge of the sale of plants and flowers, while Mrs. E. Tillier, Mrs. M. Cummings and Mrs. A. Willoughby have the care of the needlework and White Elephant table.

Crescent Fire Dept.

W.A. Raise \$60

The Women's Auxiliary to the Volunteer Fire Department gratefully took advantage of the invitation given them at their last meeting by Mrs. Neal of the Waterfront and sold more than 40 tickets to the Bridge-Whist party, which was held on Friday, May 3. Prize winners were: Mrs. Wilson; Mr. Schon; Miss Carr; Mr. Boyd and Mr. Henry Taylor.

The coffers of the Women's Auxiliary were enriched to the tune of \$60. A bean-guessing contest was won by Mrs. Hatt and Mrs. Walsh. The highlight of the evening was a smorgasbord supper when the long banquet table was loaded with delicious and tempting food.

Miss Gwen Murphy and her friend Miss Ruth Ford having completed their teacher-

training at UBC, are now at Miss Murphy's home, while Miss Ford is teaching for three weeks at Ray Shepherd School and Miss Murphy is teaching Mr. Vickery's room at Crescent Park School.

Automatic Busy

Signal for Newton

A "busy signal tone" was introduced Friday to more than 3,100 telephone subscribers in Newton.

The busy tone, characterized by an intermittent buzzing sound, indicates promptly that a line being called is busy. Telephone service will be speeded up as the operator will not have to stand by to verbally report that a line is busy.

Introduction of busy tone signalling brings Newton in line with White Rock and Cloverdale.

Minister of Municipal
Affairs

AND WHEREAS the Honourable FRANK MACKENZIE ROSS, C.M.G., M.C., Lieutenant-Governor of Our Province, by and with the advice of the Executive Council under and by virtue of the powers and authorities conferred on him by the said Act and of all other powers and authorities him in that behalf enabling, hath ordered that the inhabitants of all that tract of land described as follows, that is to say: Commencing at the South-west corner of the South-east Quarter Section 11, Township 1, west of the Coast Meridian, New Westminster District; thence easterly and northerly along the southerly and easterly boundaries of said Section 11, Township 1, to the north-east corner thereof; thence westerly along the northerly boundaries of Sections 11, 10, and 9 of said Township 1 to the north-west corner of the South-east Quarter of Section 11, Township 1; thence north to the said south-west corner of the South-east Quarter of Section 11, Township 1, being the point of commencement, shall as of the fifteenth day of April, 1957, be incorporated into a city municipality and hath made further provision to the tenor and effect hereinafter appearing:

NOW KNOW YE that by these presents We do hereby order and proclaim that the inhabitants of the tract of land hereinbefore described shall be and they are hereby incorporated into a city municipality as and from the fifteenth day of April, 1957, subject to the provisions of the "White Rock Incorporation Act" and under and subject to the provisions of all other Statutes applicable to a city municipality and subject to the provisions hereinafter contained or referred to:

1. The said city municipality shall be called and known by the name and style of "The Corporation of the City of White Rock" (hereinafter referred to as "The City Municipality").

2. The City Municipality shall comprise all that tract of land hereinbefore described.

3. The first Council of the City Municipality shall be as follows: Mayor—Charles Morris Defleur; Aldermen—Alexander Malcolm Mitchell, William Howard, William Ralph Offer, William Clyde Shier, Charles Edward White, Leonard Ernest Parker; and they shall hold office until the nineteenth day of September, 1957, or until their successors are elected and take office at the first meeting of the Council, to be appointed at seven-thirty o'clock p.m. on the seventeenth day of April, 1957, the first Council so appointed shall have all the powers of a Council under the provisions of any Statute applicable to a city municipality. Four members shall constitute a quorum.

4. The first elected Council shall consist of a Mayor and six (6) Aldermen to be elected from the City Municipality at large. Four members shall constitute a quorum.

5. Charles Herbert MacElinhney, of 15241 Victoria Avenue, White Rock, British Columbia, shall be the Returning Officer for the election of the first elected Council of the City Municipality; and the Returning Officer may appoint Deputy Returning Officers, provided that they are qualified persons, as he shall deem necessary for taking the poll and for maintaining order at the polling-stations during the election.

6. Charles Herbert MacElinhney is incapacitated from fulfilling his duties under these Letters Patent, the appointed Council may appoint a person to act in his place.

7. Those persons entitled to vote at the election

shall be such persons or corporations whose names appear on the last revised Voters List of the Corporation of the District of Surrey (hereinafter referred to as "the District Municipality") by virtue of the fact that, at the time of compilation of the said Voters List they were the owners of land or land and improvements within the said area or were the holders of subsisting trade licenses and carrying on business within the area, or were house-holders residing within the area at the time aforesaid.

8. The Returning Officer shall cause to be prepared a list of voters in which shall be in alphabetical order, the names, addresses, and qualifications of all persons entitled to vote as aforesaid.

9. The Mayor and two Aldermen to be selected by the appointed Council shall sit as a Court of Revision for the said list of voters on Wednesday, the fourth day of September, 1957, at a place to be named by the Returning Officer and the list as certified by the Court of Revision shall be the voters list for the City Municipality for all purposes until another list is prepared in accordance with the "Municipal Elections Act."

10. The revised and certified voters list shall be open to inspection by any person between the hours of nine o'clock a.m. and five o'clock p.m. Monday to Friday, inclusive, at the office of the City Municipality.

11. The qualifications for Mayor and for Aldermen at the first election shall be as provided for Mayor and Aldermen, respectively, in sections 17 and 19 of the "Municipal Act," except that the Assessment Roll referred to shall mean that portion of the last revised Assessment Roll of the District Municipality which pertains to properties within the area constituted as the City Municipality.

12. The nominations for the first elected Council shall be held at the City Office on Monday, the ninth day of September, 1957, between the hours of ten o'clock a.m. and twelve o'clock noon.

13. The poll, if any, shall be held on Thursday, the nineteenth day of September, 1957, between the hours of eight o'clock a.m. and eight o'clock p.m. in the Coldcut Villas, the White Rock School, the Silver Moon, the Buena Vista Hall, and the Little Theatre.

14. Not less than seven days' notice of the time and place of nomination and of the holding of a poll, if any, shall be given in a newspaper published in the City Municipality and further for the like period shall be posted near or upon the entrance doors of the City Office, the Nichol Road Post Office, and the Buena Vista Hall in the said City.

15. The said election shall, as far as possible, be conducted pursuant to the provisions of the "Municipal Elections Act."

16. The Returning Officer, after the declaration of the poll, shall retain the ballot-papers and ballot-boxes and then forthwith deliver them to the City Clerk duly appointed by the Council.

17. The members of the first elected Council shall hold office as follows: that is to say:

(a) The Mayor shall hold office until his successor shall take office following the annual municipal election in December, 1959;

(b) The three Aldermen who received the greatest number of votes at the election of the first elected Council shall hold office following the annual municipal election in December, 1959;

(c) The three Aldermen who received the lowest number of votes at the election of the first elected Council shall hold office until their successors shall take office following the annual municipal election in December, 1958;

(d) In case of an equality of votes the Returning Officer shall have a casting vote or votes to determine the Aldermen; an Alderman who shall sit for the longer term;

(e) In case no poll is necessary, the Returning Officer shall determine which three Aldermen shall sit for the longer term and the others shall sit for the shorter term.

18. The first meeting of the Council so elected shall be held at the office of the City Municipality in the said area and on a date to be determined

by the appointed Council.

19. Until provision be made by-law in that behalf, all proceedings at and relating to the meeting of the appointed Council and the first elected Council shall be held and taken in accordance with the provisions contained in the "Municipal Act" and according to proper custom and all the powers, privileges and duties of such Council shall be the same as those prescribed by the said Act.

20. After the incorporation of the City Municipality the remaining area of the District Municipality shall remain a duly constituted municipality under its present Letters Patent, but subject to the provisions of any amended Letters Patent.

21. The Assessment Roll for the City Municipality for the year 1957 shall be that portion of the revised Assessment Roll of the District Municipality which pertains to properties within the area constituted as the City Municipality.

22. The liabilities and contingent liabilities of the City Municipality as apportioned by the Board of Arbitration established under section 8 of the "White Rock Incorporation Act" shall be the liabilities of the City Municipality as at the date of incorporation and the liabilities and contingent liabilities so apportioned shall be publicized by publication in one issue of a newspaper published in the City Municipality.

23. All Licences heretofore issued by the District Municipality shall be valid in the City Municipality and in the District Municipality until the expiration of the period named in the licence.

24. The City Council shall pay out of the ordinary revenues of the City Municipality all costs, charges, and expenses incurred in and about the incorporation of the City Municipality, including the expenses of obtaining the "White Rock Incorporation Act" and the expenses of the Board of Arbitration.

25. The City Council shall within sixty days of receipt pay out of the ordinary revenues of the City Municipality any account which the District Municipality may render in respect of the cost of administration and services provided in the City Municipality for the period commencing on the first day of January, 1957, and ending on the day of the incorporation of the City Municipality; Provided, however, any such account shall be rendered within four months of the date of incorporation of the City Municipality and shall be certified as correct by the auditor of the District Municipality. Should the Council of the City Municipality decide that such an account is not correct or just, then they shall have the right within thirty days of receipt of such account to submit the entire matter to arbitration under the provisions of the "Arbitration Act" and the decision of the Arbitration Board shall be final.

26. The Council of the District Municipality shall determine the mill rate for school purposes for School Districts No. 36 (Surrey) for the current year and the mill rate so determined shall be adopted and imposed by the City Municipality. The City Municipality shall pay over to the District Municipality its portion of the quarterly demand of the Board of School Trustees of School District No. 36 (Surrey). Such payment shall be made by the City Municipality within thirty days of a demand by the District Municipality.

27. All taxes owing as of the thirty-first day of December, 1956, in respect of lands situated in the City Municipality shall be deemed to be revenue of the District Municipality and shall be paid over to the District Municipality by the City Municipality as collected.

28. The Council of the City Municipality shall cause the Letters Patent to be published in one issue of the British Columbia Gazette and also one issue of a newspaper published in the City Municipality.

IN TESTIMONY WHEREOF, We have caused these Our Letters to be made Patent and the Great Seal of Our said Province to be hereunto affixed.

WITNESS, the Honourable FRANK MACKENZIE ROSS, C.M.G., M.C., Lieutenant-Governor of Our said Province of British Columbia, in Our City of Victoria, in Our said Province, this fifteenth day of April, in the year of Our Lord one thousand nine hundred and fifty-seven, and in the sixth year of Our Reign.

By Command,

W. D. BLACK,
Provincial Secretary.

RECIPE OF THE WEEK

Now that rhubarb is again in full supply, recipes for this delectable "spring fruit" are in great demand. Rhubarb pies and puddings are among the favourite uses, but not too many cooks know of such recipes as the following one for a rhubarb punch. I am sure you will find the result most appreciated by your family and guests. One of the best features of the recipe, which was given to us by Mrs. Wm. Bush, is that a quantity of the rhubarb juice can be bottled and kept on hand for use at any time of the year.

RHUBARB PUNCH

1 cup rhubarb juice
4 cup orange juice
6 tablespoons of lemon juice
Sugar syrup to taste
1 cup ginger ale (optional)
Make sugar syrup by boiling 1 cup sugar and 1 cup of water together for 5 minutes. Chill. Boil 3 cups diced rhubarb and 1 cup of water for 20 minutes. Strain rhubarb juice and chill. Mix with other ingredients and serve.
The rhubarb juice may be bottled and stored for use during the winter months.

Approximately 50 White Rock Brownies, Guides and Rangers and their leaders attended a rally at the Peace Arch on Saturday, May 4. Division Commissioner Mrs. K. McGown presented June Postill with her Gold Cord, which is the highest Girl Guide award. June, who is nearly 16, is a Grade 11 student, a primary Sunday School teacher, and is a keen camper and hiker. She has spent 8 years as a Brownie, Guide and

Ranger and is Junior Leader for the 1st White Rock Guides and Pack Leader for the 2nd Brownies. She has obtained 29 Guide Proficiency Badges. Only two Gold Cords have previously been awarded in White Rock—to Marilyn Leslie in 1955 and Diana Mallinson in 1952.

Mrs. McGown presented Pat Beasley of 1st White Rock Guides with a citation signed by Mrs. W. R. Nesbitt, Chief Commissioner for Canada, in honour of her saving the life of a boy in the swimming pool last summer.

District Commissioner Mrs. A. E. Postill enrolled Guides Sandra Seabrook and Margaret Hill and transferred Girl Scout Elizabeth Scott to the Canadian Guides.

The Rangers presented Mrs.

McGown and Mrs. Postill with a bouquet of flowers. Games and songs followed and an enjoyable afternoon ended with refreshments.

Crescent Beach Plans May Day

The PTA of Crescent Park School are holding a May Day

tea on Thursday, May 16, from 2-4 p.m. Funds are needed for the May Day parade prizes, and most of treasury funds were used to instal swings on the school grounds. The May Day parade of

Crescent Park School is scheduled to go on May 23. After the parade, speeches and awards, there will be a gathering at Mrs. Stan Hamilton's on Temblett Drive off Crescent Road.

Announcing! The Royal Bank

PERSONAL CHEQUING ACCOUNT

the **new** thrifter way to pay personal bills by cheque
(AVAILABLE, JUNE 3)

If you now pay your personal and household bills by cheque, drawn against a Savings Account, then a PERSONAL CHEQUING ACCOUNT is tailor-made for you!

Here's how a PERSONAL CHEQUING ACCOUNT works.

When you operate a PERSONAL CHEQUING ACCOUNT, you use a special cheque book (containing 10 or 20 cheques—whichever you prefer) on which you pre-pay service charges at the new low rate of 10¢ a cheque. There are no other service charges of any kind!

No time is lost at the bank when you use a PERSONAL CHEQUING ACCOUNT, because there is no passbook to write up. Instead, you make your deposits using a special deposit slip, in duplicate, retaining the carbon copy.

We mail your cancelled cheques and a complete statement of deposits and withdrawals every three months. The cancelled cheques are proof that bills have been paid, and the up-to-date statement lets you know exactly how your personal finances stand.

Important: We recommend very strongly that you retain your present SAVINGS ACCOUNT on which you earn regular interest. A Personal Chequing Account is for making payments by cheque—A Savings Account is for saving money!

A GENERAL MOTORS VALUE

more hustle...

Bring on the hills! An easy, easy pressure of the toe, and up you go... the grade just doesn't exist that can make a '57 Chevrolet falter. Come on in and sample the lift, the incredible liveliness, the big reserve of safety power that Chevy's super-efficient V8's and 6 deliver! It's a wonderful feeling! But, then, nobody in the low-priced field builds such tireless and resourceful engines.

Try this. When that light flashes green, open that Chevy up a little. There's astonishing zip to the get-away of this most spirited of all Chevrolets! See how many higher-powered cars get that familiar view of Chevrolet gliding easily away from them! You'll love it—the quiet, velvety eagerness of the '57 Chevrolet. Vim, vigour... famous easy handling... and the lustrous beauty and good taste of a genuine Body by Fisher masterpiece! That's Chevrolet for '57, the big best-seller! Funeral Friday For Drowning Victim

Funeral services will be held Fri. for Reginald Wm. Dunham, 15, of 3448 Johnston Road, whose body was recovered from Nicomekl River late Monday.

White Rock RCMP and B Squad, Surrey auxiliary police force, located the boy's body a short distance downstream from where he suddenly disappeared Sunday while swimming with his brother Thomas.

Reginald is survived by his mother and father, two brothers, Thomas and Kenny, and one sister, Ethyl, at home, and his grandfather, A. H. Smith, Burnaby.

Service will be from Sunnyside United Church to Sunnyside Lawn Cemetery, with Rev. A. Elliott officiating. Chapel Hill Funeral Directors Ltd. are in charge of arrangements.

Wife of White Rock Alderman Passes

After a brief illness, Mrs. Elizabeth White, 14265 Marine Drive, passed away in White Rock Hospital on May 2. She was the wife of Alderman C. E. White.

Born in Pilot Round, Manitoba, Mrs. White was in her 73rd year. She came from Edmonton with her husband to live in White Rock six years ago. During her residence here she was very active in Hospital Auxiliary work, being a member of the Hopeful Group since its formation.

She is survived by her loving husband; 1 daughter, Mrs. Jacqueline Munro, Australia; 1 brother, W. J. Publow, Winnipeg; 3 sisters, Mrs. S. F. Platt, Toronto; Mrs. J. A. Eoll and Mrs. S. Hayes, Calgary, also five grandchildren. Funeral service was held Monday, May 8 at 1:30 p.m. from Chapel Hill Funeral Parlour, Victoria Ave. and E Street, Rev. H. Berry officiating, followed by cremation.

Funeral Rites Held For Mrs. Perkes

Requiem High Mass was celebrated on Wednesday, May 8, at 10 a.m., from St. of the Sea Church for Mrs. Hilda Agnes Perkes, 14659 West Beach Ave., Rev. J. Franks officiating. Interment was in Sunnyside Lawn Cemetery and Chapel Hill Ltd., Funeral Directors, were in charge of arrangements.

Mrs. Perkes, who was 61 years of age, is survived by her loving daughter, Mrs. G. J. Cann, White Rock; two brothers and one sister in England. Her husband, Mr. James Perkes, pre-deceased her some years ago. Born in England she came to reside permanently in Canada in 1948 after having visited here twice with her husband who was a Canadian, and had served in the First World War with the Winnipeg Rifles. She had lived in White Rock for the past five years. Mrs. Perkes passed away in White Rock Hospital after an illness of 18 months.

Hospital Auxiliary Memorial To Mrs. Paterson

Speaking of the great loss suffered by the White Rock Hospital Auxiliary in the recent death of one of their most enthusiastic members, Mrs. F. Paterson, Mrs. J. Dingwall said that she felt the Auxiliary should make a contribution to the Memorial Fund in Mrs. Paterson's memory.

This was moved by Mrs. W. H. Bruell and seconded by Mrs. W. Shields at the May meeting of the Group. It was also moved by Mrs. Bruell that a gift should be presented to Mrs. F. Lewis in appreciation for her having taken care of the Superfluous Shop key, for so long.

At the same meeting, R. A. Williams, Hospital Administrator, told the members the entire cost of the mobile X-ray machine used in Hospital, had been carried by the Women's Auxiliary.

Hearing about the use to which the equipment is put, members felt well repaid for the time and effort spent raising the money for such a project.

Mr. Williams also reported the hospital is operating at almost 100 per cent capacity, as a 42 bed and 12 bassinette building.

(Continued next week.)

Kensington House Thanks Donors

The Kensington House Auxiliary wish to extend their heartfelt thanks to the following donors in addition to the list given previously. Ladies' Auxiliary to the White Rock Fraternal Order of Eagles, \$5; Old Age Pensioners' Organization, Cloverdale, \$4.20, and White Rock Auxiliary to the Army and Navy, \$10.
